Grade Level Meeting Times

Grades K-7 Sunday 9:00 am - 12:00 noon

Grades 3-6 **Torah T.E.C.H. (Teach Each Child Hebrew) This program enables children to learn Hebrew at their own pace, with the full attention of their teacher for thirty minutes each week. Torah TECH is conducted virtually and at a time of the student's and family's convenience.**

We are committed to teaching children a love of Judaism. Religious School explores the Jewish culture (cooking, traditions, and history), arts (music, literature, art), and spirituality (prayers and Torah), along with teaching about Israel and the Hebrew language. We believe Religious School should be both an educational and enjoyable experience.

We look forward to learning with you!
